Applicant: Changgeng, Ruan & George Qingwei Ye

S.N. 10/622,231

Filed: 07/17/2003

Confrm. No. 4655

Docket No. 22124

Declaration

I, the under-signed, declare hereby that:

I am the co-inventor/applicant of US patent application No. 10/622, 231, which involves some biological material. Among said biological material, hybridoma cell lines R813 and Y262 were deposited with China General Microbiological Culture Collection Center (CGMCC) on April 30, 2002, under the terms of the Budapest Treaty.

I also declare hereby that:

The deposited hybridoma cell lines R813 and Y262 will be irrevocably and without restriction or condition released to the public upon the issuance of a patent and that they will be replaced should they ever become non-viable.
